Dear brothers and sisters in Christ at Pine Grove Bible Church

This morning as I read those intimate chapters of John 14 to 17 it drew my attention how the Lord spoke of things relating to himself. He spoke of my words, my command, my peace, my love, my joy, and throughout of my Father. Of course he wasn't being egocentric, rather everything was for others, whether it be for the disciples, for future disciples or for his Father. Even when he spoke of his glory it was so the disciples could see it, so opposite to the rejection and humiliation they saw the Lord so often received and that would soon culminate in his crucifixion, but would then be overturned by his resurrection and ascension. May we always abide in Him and enjoy Him while we wait for the trumpet.

Our two month trip to the States and Canada is in its last week. So much packed into these days has made them fly. We **thank the Lord** for the choice times we have enjoyed with His people and with family.

Please **PRAY** for the Juan Lacaze assembly as this Sunday, 20th, they celebrate 35 years in the present building with outreach and a time of fellowship. One of the elders is a fruit of children's classes we held outside his home over 40 years ago.

PRAY for the Rosario assembly, as this weekend also, they have their yearly retreat at the Peniel Bible camp. May it strengthen the spiritual ties among the believers, and encourage them in their walk with God. Next Friday, 25th, the men will gather for their monthly evening special with an evangelistic slant, and Saturday, 26th the ladies will hold their afternoon gathering, inviting their not-yet-saved friends. We **PRAY** the Lord be able to speak to each of us according to our particular needs.

We have mentioned two new ladies who have been saved this year in Bible studies they had with Eunice. The other day our daughter-in-law sent a picture of them in a Bible study, but accompanied by one of their daughters and grand-daughter. This is a real break-through as they were quite resistant to the message. No doubt it's the result of a changed life and prayer.

November is another full month. The first weekend there is another outreach in Durazno, right in the center of the country, where the assemblies have been making a joint effort to see an assembly started. There are new Christians, two about to be baptized, and various ones interested. **PRAY** too for a couple that is planning to move there next year.

Ken has a 30 hour series to teach on the Pauline Epistles which he has been working on while in Canada. May it be as enjoyable and profitable to the students as the preparation has been for him.

Nov.8,9 is the National Missionary Conference in Montevideo, with messages, reports, Emmaus stand, etc. We trust the Lord to speak again to challenge the church to fulfill its mission while He has us here. The three messages will be given by national full-time workers.

Nov.15-17 an assembly in the capital city of Montevideo will celebrate their 100 years with special meetings on the street outside the building. Other assemblies are helping them in this effort to reach the neighborhood once again with the message of salvation. **Pray.**

The following weekend is national elections in Uruguay. We **pray** for the Lord's good will to be fulfilled for the best interests of His kingdom. Men fail, but He is faithful.

Thank you for your prayers, and thank you for your generous gift of \$230. Truly the Lord is faithful!

With Christian love *Ken and Eunice*
