*I will instruct you and teach you in the way
you should go; I will guide you with My eye.*

Psalm 32:8

WE ARE SO GRATEFUL AND THANKFUL!!!

We are excited and it is beautiful to see how **Amy & Nacho** are also enjoying this season of life.

In the Lord's will, **baby** is due by the end of April next year.

We praise the Lord and would appreciate you praying for them and baby as she/he continues to grow.

December 2023, we had the end year potluck with the assembly in Montevideo and one of the elders had printed different verses out and handed them out in a random way. At the moment, I recall and remember telling Leticia; this verse is indicating something, whatever it may be:

I WILL INSTRUCT YOU AND TEACH YOU IN THE WAY YOU SHOULD GO; I WILL GUIDE YOU WITH MY EYE.

Last **February 2024** we received an invitation from **MSC** to **join and serve the Lord** with their team in Canada. We have been having meetings once a month since February with Executive Director of MSC, Randy Hoffman and praying together about this. The trip to Canada last September had the purpose to meet in person and dedicate time to talk, brainstorm, consider and pray together and meet different ones who work at the office. It was a good and blessed time for Leticia and myself and of confirmation.

We feel confident that the Lord is behind this, that **HE is leading us** to a new stage of ministry, which means we have **to leave** Amy & Nacho and future grandchild, our both parents who are well in their 70s, our siblings, friends and the beautiful church of Christ in Uruguay. On the other hand, and the Lord knows how He does things in HIS sovereignty; we acknowledge how HE has given us the possibility over 20 years to build beautiful relationships and friendships in Canada. We are thankful for that, and as always, trust in HIM for what is to come.

You will be able to access and understand more fully, early 2025 what our role will be through different communications that MSC and ourselves will be doing. It will be a year with many transitions for Leticia and myself both in Uruguay and Canada, we appreciate your prayers.
