

Mercedes, **URUGUAY**, December 2024

Dear brethren, friends and family:

We are 1 day away from a **NEW YEAR**...and we are sure you had a wonderful time at **Christmas** celebrating the ONE that gave Reason to the Season. We certainly serve and adore a wonderful Savior. Let us walk into 2025 with the same passion to serve and obey Him. Time is getting short!!

**We Praise Him** for what we were able to do in 2024 in spite of complicated health situations.

These last few months have been very busy as we had closures for many activities, like *Ladies Banquet*, a men's get together, *Bible School Graduation*, *Sunday School open air program*, *Sunday School picnic, lunch and a baptism in the afternoon*. We also had a couple of *weddings*, a *15<sup>th</sup> Birthday Party* and family functions. (Cecilia decorates, makes the bridal bouquets, flower arrangements, etc.)

We had a **wonderful family get together** at **Christmas** time as we met from different points in the country at the Camp. We were together for 4 days and had lots of meaningful conversations, good food and a lot of laughter. It's amazing to see ours and Ken's and Eunice's grandchildren have all become adults now; some married, but **mostly precious**... following the ways of the Lord. Some that are far away were greatly missed this year.

Please PRAY for:

- \***Camps** starting this coming Friday the 3<sup>rd</sup>, in Mercedes
- \*Our preparation for **2 Camps out in Alfa**, in the East part of the Country
- \***Tent Campaigns** in the month of February
- \***A Team** of 13 coming in March from MSC
- \***The prospect students for the Interned Bible School for 2025**

We wish you all a **Blessed 2025**. Thank you for your continued support over the year. You are a part of all that we are allowed to accomplish!!

Rob and Cecilia Russell
